## **OBJECTIVE**

Assisting the greater public through independent certified master inspection services of the highest quality, integrity and professionalism.

## **QUALIFICATIONS**

California Licensed B-1 General Contractor since 1985. I've completed over 17,000 physical property inspections. My experience includes thousands of inspections on behalf of clients involved in residential, commercial, industrial and REO properties. I've completed over 1000 disaster damage assessment and/or insurance site evaluations. I'm a "CMI" – Certified Master Inspector, HUD/FHA approved inspector and an "ASHI" – American Society of Home Inspector Member.

## **PROTOCOL**

On site, in/out inspections, computer generated reports with digital photography and electronic delivery via e-mail. Specific protocol varies with client requirements.

## **EDUCATION**

1985 – 2013 Continuing education on an annual basis through the International Conference of Building Officials, International Code Council, International Association of Certified Home Inspectors, United States Department of Housing and Urban Development, Inspector Training Associates, Saddleback College and/or the American Society of Home Inspectors.

1974 – 1976 Utah State University – Logan, Utah  
Business Management/Geology

## **EMPLOYMENT**

1985 – 2013 Owner, Progressive Inspection Service  
Providing independent third party inspection services of residential, commercial and industrial properties to buyers, sellers, construction, development, banking, lending, insurance, litigation and or government entities.

## **PROFESSIONAL MEMBERSHIPS**

CMIB – Certified Master Inspector Board

ASHI – American Society of Home Inspectors
